Welcome Guests!

Thank you for attending our worship service today! You are our honored guest. Please remain with us after services so we can visit together. Our family meets together to praise God and edify each other. We use the Bible as our only guide. We would love to answer any questions that you may have about our church family.

Shepherd’s Note

Are you looking forward to 2021? Or do you perhaps feel like George Bailey in It’s a Wonderful Life, not sure what calamity might come next your way? I think that most of us have some apprehension for what lies ahead after last year’s chaotic events. It’s always good to keep in mind the Jesus perspective. His life and teaching had a God-led, one day at a time focus. He realistically reminded that each day has enough troubles of it’s own. More importantly, he taught that God carefully preserves all nature, even the sparrows, and that God values us much more. Let’s focus on God’s care for us in Jesus in 2021, and zero in on what he gives us to do each day.

— David
