## Welcome Guests!

Thank you for joining us in worship today! You are our honored guest. Please stay with us short while after services so that we can visit with you. Our family meets together to praise God and to encourage one another. The Bible is our only guide for worship and Christian life. We would love to answer any questions that you may have about our church family. Please visit us again at every opportunity!

## Bear One Another's Burdens

In the New Testament, Jesus' command to love is called the greatest commandment, the law of Christ, and the royal law. Galatians 6:2 says, "Bear one another's burdens, and so fulfill the law of Christ" (ESV). This is a wonderfully simple explanation about how to obey this command. What strikes me about this explanation is that, in order to bear one another's burdens, we must be aware of those burdens. We should regularly spend time with the body of Christ in smaller, more personal environments so that we may foster the relationships necessary to share and carry individual burdens.
