Welcome Guests!

Thank you for worshipping with us today! You are our honored guest. Please stay with us short while after services so that we can visit with you. Our family meets together to praise God and to encourage one another. The Bible is our only guide at Riverside for worship and Christian life. We would be happy to answer any questions that you may have about our church family. Please visit us again at every opportunity!

Mentoring

Consider the earlier stages of your life. You likely remember the times when you were on your own. Can you remember the struggles of being inexperienced and unequipped? It would've been a game-changer if you had a mentor who was personally guiding you and counseling you. This is God's plan for the Church. Older women are to "train the young women" and the older men are to "urge the younger men" and "be a model" (Tit 2:4-7, ESV). The next generation doesn't have to have the same struggles. How might our family grow if each generation actively mentored the next? Read Titus 2:1-10 and consider how you might be a mentor. — Cooper Atkeson
