### Do You Recognize This Altered Poem?

Read the writings from above,

See the Master showing love,

Children – safe within His wing –

Hold his hand, He is the King!

Yes, Jesus loves me!

Yes, Jesus loves me!

Yes, Jesus loves me!

The Bible tells me so!

# Pray For Others

---

**Olden Cook** was admitted to Peterson last week. He has pneumonia, but he is improving. He is in room 368. They are hoping to transfer him soon to rehabilitation. Please pray for Olden and for Gari as she cares for him.

Pray for our members who are in nursing/assisted living facilities: **Doris Burton, Ann Marshall, Alice McGuire, Kathy O'Hara**. Some visits are now allowed, check with the facility prior to visiting. Your visits would be much appreciated. Cards and phone calls also relieve the isolation.

Let's remember all of the health care workers and their families at Riverside: **Rona Barrozo, Ashton Bosse, Jolene Fudge, Kaysi Garrett, Karen Wootton, Karla (Wootton) Carter, Debra Zink**, and those around the nation and world, who are on the front lines of the pandemic. Also, remember **Chad Lovelady**, who is a police officer in Fredericksburg.

## *Ongoing Health Concerns*

**Larry Delaney**, as he undergoes treatment, and **Kenda** as she cares for him.

**Barbara Dodd**, is wheelchair bound. She sends her love to everyone, and is very grateful for the cards and calls.

**Garland McConal**, and **Mariethel** as she cares for him.

**Kareene Taylor**, as she deals with several health concerns, and **Don** as he cares for her.

**Camryn Thomas**, new sister in Christ, is feeling better. Praise God for answered prayers!

# And Keep Praying

**Virginia Exon**, 10 year-old granddaughter of **Jarrell and Rose Baker**, has been diagnosed with B cell leukemia, and is beginning treatment. She has had some complications from the treatment. Please pray for the Bakers, and Virginia and her family.

**Judy and Rodney Cuellar**, daughter and son-in-law to **Linda Plaster**, are still recovering from Covid.

**Bill Fitch**, son of **Katie Fitch**, has finished treatment for cancer, recent reports have been encouraging.
