If you have an issue, a topic, or a text you would like to hear discussed, please let the staff or the shepherds know.

Welcome, Guests!

Welcome to Riverside! Thank you for joining us as our honored guest to worship God together today. Please stay with us briefly after the service so that we can welcome you personally. We meet together to praise God and to encourage one another. At Riverside, the Bible is our sole standard for worship and the Christian life. We would be happy to answer any questions that you may have about the Riverside church family. Please visit us again whenever you have the opportunity!

Agape

Knowledge is knowing that *agape* means love.

Wisdom is having *agape* for your spouse and not your car.

Philosophy is wondering if *agape* is possible without free will.

Theology is defining God by *agape*.

Christology is understanding the *agape* of God in Christ.

Salvation is the product of *agape*.

1 John 3:16 (ESV) "By this we know love, that he laid down his life for us, and we ought to lay down our lives for the brothers."

Knowledge is knowing that *agape* means love.

Christianity is living *agape*. -Cooper Atkeson

Pray For Others

Martha McDuffie and her household are suffering from COVID-19, as is **Judy Lovelady**. Please pray for these to recover quickly.

Rori Flores will have her tonsils removed on July 13th. She is a bit anxious, and would like the church to pray for her.

Robert Barker is in Peterson with pneumonia in both lungs, and a separate infection as well. Please pray for Robert, and for **Debra** as she cares for him.

Al and Donna Horne have finally sold their house in South Africa. They hope to return to the US by the end of July. Please remember them in prayer.

Pray for our members who are in nursing/assisted living facilities: **Doris Burton, Ann Marshall, Kathy O'Hara**.

Let's remember all of the health care workers and their families at Riverside: **Rona Barrozo, Ashton Bosse, Jolene Fudge, Karen Wootton, Karla (Wootton) Carter, Debra Zink**, and those around the nation and world, who remain on the front lines of the pandemic. Also, remember **Chad Lovelady**, who is a police officer in Fredericksburg.

Ongoing Health Concerns

Gwen Brubaker has had several recent falls, and is undergoing tests. **Tara Brubaker** is struggling with several health issues, and also needs our prayers.

Larry Delaney, as he undergoes treatment, and **Kenda** as she cares for him.

Barbara Dodd, is still having problems with her health.

Twila Odle, as she is having severe back and knee pain with very limited mobility. Twila appreciates all of the meals, and cards, and especially the prayers. Her daughter Melissa and her husband Jim have moved in with her, and she is happy to have them there. She asked that we keep praying for her, because she said she is not back where she wants to be. She hopes to be able to get back to attending worship soon.

Garland McConal, and **Mariethel** as she cares for him.

Carlla Tittle, as she struggles with kidney problems, and **John** as he cares for her.

Virginia Worley is having problems with weakness in her legs. The doctors are working to resolve that. She appreciates the prayers, calls and cards.

HAPPY 4TH OF JULY!

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness. That to secure these rights, Governments are instituted among men, deriving their just powers from the consent of the governed. That wherever any form of government becomes destructive of these ends, it is the right of the people to alter or abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness."

And Keep Praying
