Welcome, Guests!

Welcome to Riverside! Thank you for joining us as our special guest as we worship God together today. Please remain briefly after the service if you are able, so that we can welcome you personally. We gather to praise and worship God through Jesus Christ and to encourage one another. At Riverside, the Bible is our sole standard for worship and the Christian life. We would be happy to answer any questions that you may have about the Riverside church family. Please visit us again whenever you have the opportunity!

He Knows His Own

The scriptures tell us, “*He came to his own, and his own people did not receive him*” (John 1:11). That was a tragic day. But another day is coming, when he will ‘come to his own’, and they will adore him. For in another place it says, “*My sheep hear my voice, and I know them, and they follow me*” (John 10:27). He knows us personally. We are not just part of the crowd. He recognizes us because he sees himself in us. It is as the apostle Paul wrote, “*But God's firm foundation stands, bearing this seal: “The Lord knows those who are his”* (2 Timothy 2:19). Make sure the Lord knows who you are.

Pray For Others

Charline Gregerson is very ill and in much pain. She is receiving palliative care at this time. Please remember Charline and her family in your prayers.

Velma Cuellar is now at home with Linda Plaster. Velma needs our prayers that those ministering to her will be able to find the best medications to help her.

Bill Leslie is in Peterson Rehab Unit, with a broken femur from his recent fall. He had surgery last Sunday, and is feeling much less pain. Remember Bill and Janet as they face this most recent setback.

Dorinda Mays is back in Kerrville after she fell in her driveway. She has multiple facial fractures and injury to her back. She is now at Peterson, Room 390. Please pray for Dorinda and her family, that she will receive the treatment that she needs and will be able to recover quickly from her accident.

We received word that **Genita Donaldson** has Covid-19, and is quite ill, so remember to lift her up to the Father for quick and complete healing.

Let's remember all of the health care workers and public servants and their families at Riverside: **Rona Barrozo, Ashton Bosse, Jolene Fudge, Karen Wootton, Karla (Wootton) Carter, Debra Zink, Natalie Kingston, and Zac, Tyler and Mark Copeland** (sons of Jim and Melissa Copeland), **Chad Lovelady**, and those around the nation and world, who face possible exposure to the virus each day.

Please pray for our members who are in independent living/nursing/assisted living facilities: Doris Burton, Ann Marshall, Kathy O'Hara, Mariethel McConal, Dennis Odle, Don Taylor, Granville "Granny" Cobb, Bill Leslie, and Janis Banner.

Sermon Scripture

7then the Lord God formed the man of dust from the ground and breathed into his nostrils the breath of life, and the man became a living creature. 8And the Lord God planted a garden in Eden, in the east, and there he put the man whom he had formed... 18Then the Lord God said, "It is not good that the man should be alone; I will make him a helper fit for him." 19Now out of the ground the Lord God had formed every beast of the field and every bird of the heavens and brought them to the man to see what he would call them. And whatever the man called every living creature, that was its name. 20The man gave names to all livestock and to the birds of the heavens and to every beast of the field. But for Adam, there was not found a helper fit for him. 21So the Lord God caused a deep sleep to fall upon the man, and while he slept took one of his ribs and closed up its place with flesh. 22And the rib that the Lord God had taken from the man he made into a woman and brought her to the man.

Genesis 2: 7-8; 18-22

And Keep Praying

Debra Barker's aunt, Faye Kriedler, has been moved to the Peterson Hospital Rehab Unit. She is in room #386, and would appreciate cards and visits.

Please include Brandon Jess Harris in your prayers. He is the great nephew of **Lizzie Dunn**. He is nineteen years old, and has been diagnosed with Grave's Disease.

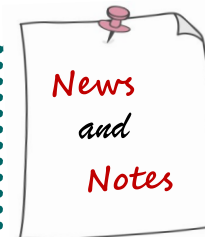

Maggie and Inacio Castillo's grandson, David Ortiz, has been found to have a tumor in his middle ear. He lives in New Mexico, and Maggie has asked for prayers for his healing.

Derrick Hagler, the son of **David and Phyllis Hagler**, had to be hospitalized again. The infection surrounding his appendix was not completely eradicated, and has returned. David and Phyllis have gone to Carrollton to be with the family, and they are requesting prayers.

Thank you...

Dear Brothers who came to my house and did yard work, and took down two dead trees, I can't thank you enough. I thank God for your willingness to help people in need. I love you all and appreciate your generosity.

First Responders' Lunch

Wednesday, June 7, 2023 | 11:00am—2:00pm

Please put this date on your calendar. We will need as many volunteers as possible, to make this a memorable event for those who work so hard to serve our city. Susan Lott will be in the lobby with sign-up sheets.

Garret Todd's twin brother, Marshall, has received his first deployment orders. He would appreciate prayers, cards and letters for himself and the other sailors on the USS Ronald Reagan air craft carrier. If you want to send treats, just know that they need to be non-perishable. Marshall is a newlywed, and he won't see his bride (Brooke) for almost a year. Send correspondence to: ATAN TODD, USS Ronald Reagan Unit 100197, Box 630, FPO, AP 96616.

FOUND BRACELETS—In the last two weeks, we have found two sweet bracelets in the building. One is a Brighton with a silver braided chain, and says "Mother." The other one is gold, and has a charm in the shape of a Stop sign, and says "I'll never stop loving you." They are being kept in June's office.
