*Welcome, Guests!*

Welcome to Riverside! Thank you for joining us as our special guest as we worship God together today. Please remain briefly after the service if you are able, so that we can welcome you personally. We gather to praise and worship God through Jesus Christ and to encourage one another. At Riverside, the Bible is our sole standard for worship and the Christian life. We would be happy to answer any questions that you may have about the Riverside church family. Please visit us again whenever you have the opportunity!

*Take It With You*

There is an old joke about a hearse pulling a U-Haul trailer. When people at the cemetery saw it drive up, they asked, 'what's the deal with the trailer?', and the response was, 'he's trying to take it all with him'. We chuckle at that and yet, what is it that we live for? What does success in life mean for us? Money? Sex? Fame? Power? Think about all of those things in relation to death. Death will take all of those things away from us. If that is what we live for, we will lose everything. On the other hand, the scriptures tell us, "Therefore, do not throw away your confidence, which has a great reward" (Hebrews 10:35). Our confidence in God is better than anything in this life. It comes with great reward, and death cannot touch it. You can take that with you.

### Sermon Scripture

*7 For it is for your sake that I have borne reproach, that dishonor has covered my face. 8 I have become a stranger to my brothers, an alien to my mother's sons. 9 For zeal for your house has consumed me, and the reproaches of those who reproach you have fallen on me.*

**Psalm 69:7-9**

## AND KEEP PRAYING

Please continue to pray for Derrick Hagler, the son of **David and Phyllis Hagler**. He is still dealing with the infection around his appendix, which is now affecting his bladder.

**Paula Schrimsher** requests prayers for Autumn Rodriguez, who is the only child of her cousin (Donna Canada). Autumn was diagnosed with Acute Myeloid Leukemia, the most aggressive blood cancer. She is now receiving treatment in Lubbock.

We received this update from **Tommy Hayes**: "My brother Larry had his PET scan and has met with the oncologist. His prostate cancer has spread to at least 4 spots in his body. He will begin chemotherapy, with treatments every 3 weeks until 6 treatments are completed. Prayers are appreciated."

**Vickie Shawver** requests prayers for her great nephew, Hudson, who is 5 years old. He broke his elbow and needs surgery to have it pinned, and while in the ER it was discovered that he needs hernia surgery and an appendectomy as well.

### *New Quarter Adult Bible Classes*

Beginning today, there will be new adult Bible studies in the fellowship hall. Ben Lucas will be teaching on the book of Romans in the front classroom. David Moore will present "Strangers and Aliens: A Review of 1 Peter" in the middle classroom area. Be sure to plan to come and enjoy these studies!

### *SUMMER SERIES!*

Our Summer Series is every Wednesday night until August 2. Our theme is 'Evangelism in the 21<sup>st</sup> Century'. The series includes live speakers as well as special video presentations based on the book, 'The Reason for God'. Today's society presents special challenges for sharing the gospel. Objections to the Bible, the church, and Christianity in general are extensive. This series will help us to be better prepared when we hear those objections. Bring a Bible and a notepad as we discuss together how we can be more effective in sharing the gospel in our community.
