Welcome, Guests!

Welcome to Riverside! Thank you for joining us as our special guest as we worship God together today. Please remain briefly after the service if you are able, so that we can welcome you personally. We gather to praise and worship God through Jesus Christ and to encourage one another. At Riverside, the Bible is our sole standard for worship and the Christian life. We would be happy to answer any questions that you may have about the Riverside church family. Please visit us again whenever you have the opportunity!

God's Good Pleasure

We are likely most familiar with Matthew's account of the Sermon on the Mount. But Luke's account of the Sermon includes a verse that Matthew's does not. Both accounts record Jesus saying, 'seek his kingdom and all these things will be added to you'. But then Luke adds another statement where Jesus says, "Fear not, little flock, for it is your Father's good pleasure to give you the kingdom" (Luke 12:32. And that little verse says so much. Sometimes we may think that God is not really on our side, but this verse says otherwise. It is God's good pleasure, it is what He delights to do, it is what He loves to do. He takes great pleasure in giving His children the kingdom. What a wonderful Father we have!

Sermon Scripture

¹³You call me Teacher and Lord, and you are right, for so I am. ¹⁴If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another’s feet. ¹⁵For I have given you an example, that you also should do just as I have done to you. ¹⁶Truly, truly, I say to you, a servant is not greater than his master, nor is a messenger greater than the one who sent him. ¹⁷If you know these things, blessed are you if you do them. ¹⁸I am not speaking of all of you; I know whom I have chosen. But the Scripture will be fulfilled, ‘He who ate my bread has lifted his heel against me.’

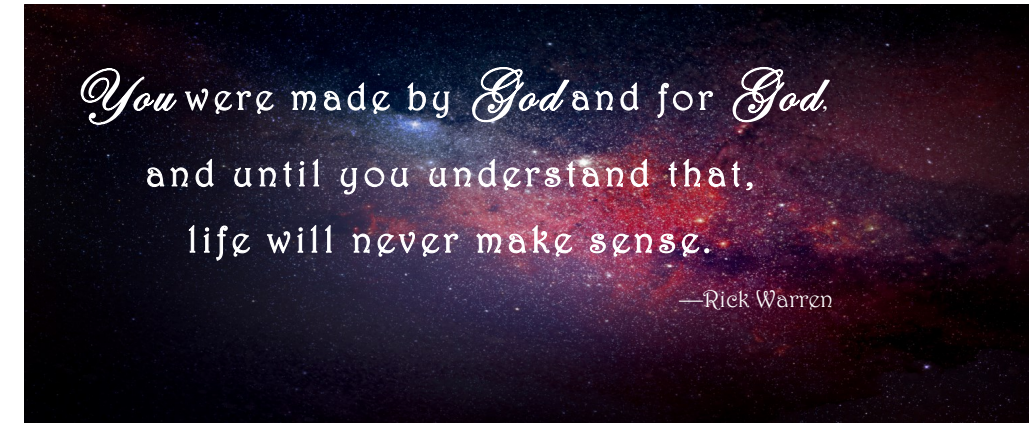

— **John 13:13-18**

Mariethel McConal’s daughter, Lajan Lugar, sent a note on her status: “She wants to let you know that she is well, and making good progress with her physical therapy at The Brixton Rehab & Nursing Center here in Horseshoe Bay. We have put her on the waiting list to get into a skilled nursing center right around the corner from where she is at that is still within five minutes of where I live. Long term plans if things continue this well, I will be able to move her in with me when my new one story home is built in the next several months. She has appreciated the cards sent, and sends her thanks and love to her beloved church family.”
